12 February 2016

Dear Sir or Madam,

RE: 2016 CSCE Hydrotechnical Engineering Award

You are invited to nominate graduating Masters Students from your university for the CSCE Hydrotechnical Engineering Award.

The CSCE Hydrotechnical Division administers this award for the best master's thesis report related to water engineering and water management. Canadian universities are requested to submit M.Sc/M. Eng. theses/reports for evaluation by the Awards Subcommittee.

We kindly ask that you consider nominating a student (or multiple students) for this prestigious award and we look forward to receiving your submission.

CSCE HYDROTECHNICAL ENGINEERING AWARD

Hydrotechnical Division

Canadian Society for Civil Engineering

Introduction

The CSCE Hydrotechnical Engineering Award is presented each year for the best Masters' thesis in Canada related to hydrotechnical disciplines. The award is intended to recognize an outstanding Masters' thesis that demonstrates high quality research technique, high quality presentation of the work, and relevance to water engineering and water management in Canada.

Process

- Submit a PDF of the thesis by e-mail to aauckland@golder.com.
- Each thesis must be accompanied by a letter of nomination from the nominating professor.
- Include the contact information for both the student and the professor.
- There are no limitations to the number of entries from each university.

Award

This year's award winner will receive a certificate of award, plus the following prizes:

- Registration to the CSCE Hydrotechnical Conference in London, Ontario (June 1-4, 2016), and
- \$1000 cash award.

Deadline

The submission deadline is March 11, 2016.

Contact
