# Graduate Scholarship Program

## 2017/18 academic year

### Value

Up to \$3,000 per term  
(fall, spring, summer)

SRK Consulting (Canada) Inc. is pleased to offer a graduate scholarship program for the 2017/18 academic year. This program assists students undertaking mining industry related graduate studies including:

- Mining and Mineral Process Engineering
- Exploration and Mining Geology
- Hydrotechnical and Geotechnical Engineering
- Hydrogeology and Geochemistry
- Tailings and Mine Waste Management
- Environmental Science and Engineering

### Eligibility Requirements

To be eligible to apply for a scholarship, an applicant must:

- Be accepted to a scientific or engineering MSc or PhD program in Canada that is related to the mining industry
- Have an appropriate undergraduate degree
- Be legally entitled to study in Canada

### Selection

Recipients will be chosen by a scholarship panel who may request short-listed applicants to present their application formally.

Applicants will be assessed on the following criteria:

- Academic achievement as evidenced by their academic record
- Prior industry experience (if applicable)
- Relevance of future studies to the mining industry

Recipients will be notified by September 5, 2017.

## **Closing Date**

May 26, 2017

## **Application Procedure**

Compile an application package that includes the following:

- a) Brief resume (no more than two pages) including work experience details
- b) Academic transcripts
- c) Written statement (500 words or less) outlining
  - Topic and summary of the intended graduate research
  - Applicability of the research to the mining industry
  - Benefit to be obtained from the scholarship
  - Applicant's desire to work in the mining industry
  - Other information the applicant considers relevant to their application
- d) Written recommendation (including contact information) by a university or other industry reference
- e) List of other awards or scholarships received and/or applied for

Submit the completed application package via email to Tyla Hay at [thay@srk.com](mailto:thay@srk.com) prior to the closing date.

## **Payment**

Scholarship funds will be paid directly to the university. The recipient must provide evidence of enrolment in the appropriate academic year before funds will be released.

Canadian offices: Vancouver | Saskatoon | Sudbury | Toronto | Yellowknife

SRK is an independent, international consulting practice providing integrated services to the mining and metals sector. We employ over 1,400 professional consultants in over 45 offices on 6 continents and have been providing clients with innovative, practical, and cost effective solutions for over 40 years. Our client base includes major, mid-tier, and junior mining companies, financial institutions, and financial authorities. For further information, visit [na.srk.com](http://na.srk.com).
