Value

Up to \$3,000 per term
(fall, spring, summer)

SRK Consulting (Canada) Inc. is pleased to offer a graduate scholarship program for the 2022/23 academic year. This program assists students undertaking mining industry related graduate studies including:

- Mining and Mineral Process Engineering
- Exploration and Mining Geology
- Hydrotechnical and Geotechnical Engineering
- Hydrogeology and Geochemistry
- Tailings and Mine Waste Management
- Environmental Science and Engineering

Eligibility Requirements

To be eligible to apply for a scholarship, an applicant must:

- Be accepted to a scientific or engineering MSc or PhD program in Canada that is related to the mining industry
- Have an appropriate undergraduate degree
- Be legally entitled to study in Canada

Selection

Recipients will be chosen by a scholarship panel who may request short-listed applicants to present their application formally.

Applicants will be assessed on the following criteria:

- Academic achievement as evidenced by their academic record
- Prior industry experience (if applicable)
- Relevance of future studies to the mining industry

Recipients will be notified in early September 2022.

Closing Date

June 30, 2022

Application Procedure

Compile an application package that includes the following:

- a) Brief resume (no more than two pages) including work experience details
- b) Academic transcripts
- c) Written statement (500 words or less) outlining
 - Topic and summary of the intended graduate research
 - Applicability of the research to the mining industry
 - Benefit to be obtained from the scholarship
 - Applicant's desire to work in the mining industry
 - Other information the applicant considers relevant to their application
- d) Written recommendations (including contact information) by at least two university or other industry references
- e) List of other awards or scholarships received and/or applied for

Submit the completed application package via email to ca_scholarships@srk.global prior to the closing date.

Payment

Scholarship funds will be paid directly to the university. Evidence of enrolment in the appropriate academic year may be requested before funds will be released.
