Viewing your waitlisted courses

About waitlists

- A waitlist may be set up when a course section is full. If you try to register in a course that is full **and** has a waitlist, you will be added to the waitlist until a seat becomes available for you to register.
- Adding yourself to a waitlist does not guarantee that you will be able to register in the course. You will only be able to register in the course if you receive an invitation to register once a seat opens.
- You can add yourself to as many waitlists as you want.

Review your waitlisted courses

Once you're on the "View My Courses" page, scroll down to the "My Waitlisted Courses" section. The waitlists you are on will be displayed in a table.

The "My Waitlisted Courses" section includes course sections for all terms of an academic session. For example, if you are viewing the 2024-25 Winter Session, the "My Waitlisted Courses" table will include waitlists for both Term 1 and Term 2. Review the "Start Date" and "End Date" to see which term the course falls in.
