Present: Jolanta Aleksejuniene, Atul Aravindakshan, Charlyn Black, Edmond Cretu, Patrick Culbert, Norm Hutchinson, Bradley Menard, Karin Mickelson, Catherine Rawn, Max Read, Andrew Riseman, Elicia Salzberg, Robert Sindelar, Jenn Fletcher (minutes)

1. New Proposals – Category 2

Faculty of Applied Science
Submitted by Carol Jaeger / Britt Murray

APSC 520 (6) – Decrease credit value, revise course title
Action: Approved

APSC 521 (6) – Decrease credit value, revise course title
Action: Approved

APSC 522 (6) – Decrease credit value, revise course title
Action: Approved

CEEN 501 (3) – Delete prerequisite
Action: Approved

CEEN 503 (3) – Delete co-requisite
Action: Approved

CHBE 560 (3) – Change course title and description
Action: Approved

CHBE 573 (3) – Change course title, add description, credit exclusion, and vector
- "Equivalency" in Type of action should be "credit exclusion".
Action: Approved

CHBE 575 (3) – Change course number, title, description, add credit exclusion, and delete equivalency
Action: Approved

CHBE 583 (3) – Change course title, description, and delete equivalency
Action: Approved

HPB 503 (3) – Delete prerequisite
Action: Approved

MECH 509 (4) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.
Action: Held

MECH 514 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 529 (3) – Change prerequisite to recommended prerequisite
Action: Approved

MECH 533 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 535 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 536 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 541 (4) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 544 (3) – Revise description, delete prerequisites
Action: Approved

MECH 562 (3) – Change prerequisite to recommended prerequisite
Action: Approved

MECH 563 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 577 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 578 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and

graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 581 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 582 (3) – Change credit exclusion to equivalency
- Proponents must use the new Workday definition of equivalency. Undergraduate and graduate courses cannot be equivalent using this definition so the credit exclusion language should be retained.

Action: Held

MECH 599 (6-12) c – Change prerequisite to recommended prerequisite
- Usually just "Pass/Fail" in the Calendar entry.

Action: Approved

MINE 504 (3) – Delete credit exclusion, add registration restriction
Action: Approved

MINE 505 (3) – Add registration restriction
Action: Approved

MINE 506 (3) – Delete credit exclusion, add registration restriction
Action: Approved

MINE 508 (3) – Delete credit exclusion, add registration restriction
Action: Approved

MINE 520 (3) – Delete credit exclusion, add registration restriction
Action: Approved

MINE 599 (3) – Delete credit exclusion and vector, add registration restriction
- What would they consider "relevant courses in their undergraduate degree" for a course like this, that aren't covered by their admission requirements?

Action: Approved

NAME 501 (2) – Add prerequisite
Action: Approved

NAME 502 (4) – Add prerequisite
Action: Approved

NAME 581 (3) – Change title and co-requisites
- "All of" should be retained in the prerequisites line.

Action: Approved

NAME 592 (1-6) d – Delete prerequisites
- "All of" should be retained in the prerequisites line.

Action: Approved

URSY 540 (3) – Delete co-requisites
- Do the program requirements also need updating?

Action: Approved

Faculty of Arts
Submitted by Catherine Rawn / Heidi May

AMNE 531 (3) – Delete course
Action: Approved

ARST 592 (3-6) c – Update credit value, change prerequisite
Action: Approved

ARST 596 (3) – Convert prerequisite note to restriction statement
Action: Approved

ARST 599 (6/12) d – Update credit value, add prerequisite
Action: Approved

ASIA 522 (3/6) d – Change credit value, change prerequisites to recommended and update recommendation
Action: Approved

ASTU 501 (3) – Change description
- Catherine provided an updated rationale.

Action: Approved

ASTU 502 (3) – Change description, add registration restriction, change prerequisites to recommended
- Catherine provided an updated rationale.

Action: Approved

ASTU 503 (3) – Change description, add registration restriction, change prerequisites to recommended
- Catherine provided an updated rationale.

Action: Approved

ASTU 610 (3) – Change description
- Catherine provided an updated rationale.

Action: Approved

ASTU 611 (3) – Change description, add registration restriction, change prerequisites to recommended
- Catherine provided an updated rationale.

Action: Approved

ASTU 612 (3) – Change description, add registration restriction, change prerequisites to recommended
- Catherine provided an updated rationale.

Action: Approved

ASTU 613 (3) – Change description, add registration restriction, change prerequisites to recommended
- Catherine provided an updated rationale.

Action: Approved

For all of the following COLX courses: "Restricted to students registered in the MDS-CL program only" has been replaced with "Restricted to students in the M.D.S. program with Computational Linguistics option." Addition to the Rationale: "We understand that the Computational Linguistics option can't be programmed, but we wish to clarify the practice for students. We will monitor that restriction ourselves."

COLX 521 (1) – Add registration restriction
Action: Approved

COLX 523 (1) – Add registration restriction
Action: Approved

COLX 525 (1) – Add registration restriction
Action: Approved

COLX 527 (1) – Add registration restriction
Action: Approved

COLX 531 (1) – Add registration restriction
Action: Approved

COLX 533 (1) – Add registration restriction
Action: Approved

COLX 535 (1) – Add registration restriction
Action: Approved

COLX 561 (1) – Add registration restriction
Action: Approved

COLX 563 (1) – Add registration restriction
Action: Approved

COLX 565 (1) – Add registration restriction
Action: Approved

COLX 581 (1) – Add registration restriction
Action: Approved

COLX 585 (1) – Add registration restriction
Action: Approved

COLX 595 (1) – Add registration restriction
Action: Approved

For all of the following ECON courses: "Course restricted to ECON graduate students only." Has been replaced with "Restricted to M.A. ECON, Ph.D. ECON."

ECON 514 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 526 (3) – Change course title, add registration restriction
Action: Approved

ECON 531 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 532 (3) – Change course title, add registration restriction
  • Add prerequisites: ECON 500, 502, 526 and 527.
Action: Approved

ECON 543 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 544 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 560 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 561 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 573 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 574 (3) – Change course title, add registration restriction, add prerequisites
Action: Approved

ECON 500 (3) – Add registration restriction
Action: Approved

ECON 502 (3) – Add registration restriction
Action: Approved

ECON 517 (3) – Add registration restriction
Action: Approved

ECON 518 (3) – Add registration restriction
Action: Approved

ECON 519 (3) – Add registration restriction
Action: Approved

ECON 527 (3) – Add registration restriction
Action: Approved

ECON 547 (3) – Add registration restriction
Action: Approved

ECON 553 (3) – Add registration restriction

Action: Approved

ECON 557 (3) – Add registration restriction
Action: Approved

ECON 571 (3) – Add registration restriction
Action: Approved

ECON 572 (3) – Add registration restriction
Action: Approved

ECON 592 (2-6) c – Update credit value, add registration restriction
Action: Approved

ECON 599 (6/12) c – Update credit value, add registration restriction
Action: Approved

ECON 600 (3) – Add registration restriction
Action: Approved

ECON 602 (3) – Add registration restriction
Action: Approved

ECON 620 (3) – Add registration restriction
Action: Approved

ECON 621 (3) – Add registration restriction
Action: Approved

ECON 626 (3) – Add registration restriction
Action: Approved

ECON 627 (3) – Add registration restriction
Action: Approved

ECON 640 (3) – Add registration restriction
Action: Approved

ECON 699 (0) – Add registration restriction
Action: Approved

ECON 515 (3/6) d – Update credit value, add registration restriction and prerequisites
Action: Approved

ECON 516 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 522 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 523 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 541 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 542 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 546 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 550 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 551 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 555 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 556 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 562 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 565 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 566 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 567 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 580 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 581 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 590 (2-6) d – Update credit value, add registration restriction and prerequisites
Action: Approved

ECON 594 (6) – Add registration restriction and prerequisites
Action: Approved

ECON 595 (0) – Add registration restriction and prerequisites
Action: Approved

ECON 601 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 603 (3) – Add registration restriction and prerequisites
Action: Approved

ECON 622 (3) – Add registration restriction and prerequisites, change prerequisites
Action: Approved

ECON 627 (3) – Add registration restriction, change prerequisites
Action: Approved

ECON 628 (1-3) d – Update credit value, add registration restriction, change prerequisites
Action: Approved

FREN 591 (1.5) – Add credit exclusion, delete prerequisite note
Action: Approved

FREN 592 (1.5) – Add credit exclusion, delete prerequisite note
Action: Approved

SPAN 591 (1.5) – Add credit exclusion, delete prerequisite note
Action: Approved

SPAN 592 (1.5) – Add credit exclusion, delete prerequisite note
Action: Approved

GEOG 512 (3) – Change course code, delete equivalency
Action: Approved

GEOG 515 (3) – Change course code
Action: Approved

GEOS 500 (3) – Add registration restriction
- Replace "Restricted to Geography graduate students." with "Restricted to M.A. GEOG, M.Sc. GEOG, or PhD GEOG."
Action: Approved

GEOG 520 (3) – Add registration restriction
- Replace "Restricted to graduate students in Geography." with "Restricted to M.A. GEOG, M.Sc. GEOG, or PhD GEOG."
Action: Approved

GREK 503 (3-6) d – Change credit value and description
Action: Approved

GRSJ 500 (3) – Add registration restriction
Action: Approved

GRSJ 501 (3) – Add registration restriction
Action: Approved

GRSJ 502 (3) – Add registration restriction
Action: Approved

GRSJ 515 (3/6) d – Update credit value, add registration restriction
Action: Approved

JRNL 503 (3-9) – Add registration restriction
Action: Approved

JRNL 515 (3-9) – Add registration restriction
Action: Approved

JRNL 520 (1.5-9) d – Update credit value, add registration restriction
Action: Approved

JRNL 533 (3) – Add registration restriction
Action: Approved

JRNL 534 (3) – Add registration restriction
Action: Approved

JRNL 548 (6) – Add registration restriction
Action: Approved

JRNL 549 (6-12) d – Update credit value, add registration restriction
Action: Approved

JRNL 555 (3-9) c – Update credit value, add registration restriction
Action: Approved

LAIS 620 (6) – Add prerequisite
Action: Approved

LAIS 621 (6) – Add prerequisite
Action: Approved

LATN 503 (3-6) d – Change credit value and description
Action: Approved

LIBR 510 (3) – Delete prerequisite
Action: Approved

LIBR 565 (3) – Delete prerequisite
Action: Approved

LIBR 588 (3) – Delete prerequisite
Action: Approved

LING 518 (3-9) d – Update credit value, delete prerequisites
Action: Approved

PPGA 514 (2) – Increase credit value, add registration restriction
Action: Approved

PSYC 500 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 504 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 521 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 584 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 585 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 586 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 587 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 588 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 589 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 501 (3) – Add registration restriction
Action: Approved

PSYC 502 (3) – Add registration restriction
Action: Approved

PSYC 541 (3) – Add registration restriction
Action: Approved

PSYC 542 (3) – Add registration restriction
Action: Approved

PSYC 556 (3) – Add registration restriction
Action: Approved

PSYC 533 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 540 (3/6) d – Update credit value, add registration restriction
Action: Approved

PSYC 534 (3-12) c – Update credit value, add registration restriction
Action: Approved

PSYC 545 (3/6) d – Update credit value and title, add registration restriction
Action: Approved

PSYC 571 (3-12) d – Update credit value, add registration restriction
Action: Approved

PSYC 578 (3-12) d – Update credit value, add registration restriction
Action: Approved

PSYC 579 (3-12) d – Update credit value, add registration restriction
Action: Approved

PSYC 582 (3-12) d – Update credit value, add registration restriction
Action: Approved

PSYC 583 (3-12) d – Update credit value, add registration restriction
Action: Approved

PSYC 463 (3/6) d – Update credit value, change title, add registration restriction
Action: Approved

PSYC 559 (6) – Change credit value, add registration restriction
Action: Approved

SOWK 525 (3) – Delete prerequisite
Action: Approved

Faculty of Medicine
Submitted by Laura Gillis

FMPR 562 (3) – Delete course
- This is the last course with course code FMPR. Is the course code being deleted as well?

Action: Approved

RADI 700 (0) – Delete course
- Rationale must be clarified as it's unclear what they mean by "archive courses". Are they seeking to delete this course?

Action: Held pending clarification

RADI 701 (0) – Delete course
- Rationale must be clarified as it's unclear what they mean by "archive courses". Are they seeking to delete this course?

Action: Held pending clarification

RADI 703 (0) – Delete course
- Rationale must be clarified as it's unclear what they mean by "archive courses". Are they seeking to delete this course?

Action: Held pending clarification

RADI 705 (0) – Delete course
- Rationale must be clarified as it's unclear what they mean by "archive courses". Are they seeking to delete this course?

Action: Held pending clarification

SPPH 541 (3) – Add prerequisites
Action: Approved

SPPH 541 (3) – Delete prerequisite
Action: Approved

Next Meeting: Friday, April 14, 2023
