  • How will you fit with the teams / culture?

And the # 1?

Culture Fit

• How do you learn about this?

• How do you reflect this?
A behavioral interview is a job interview focused on discovering how an applicant acted in specific employment-related situations.

The logic is that your past performance in the workplace will predict your future performance.

Instead of asking how you would behave, the interviewer will ask how you did behave. The interviewer wants to know how you handled a situation, instead of what you might do in a hypothetical situation.
Do you know what this is?

A leather belt with a solid steel buckle and numerous metal compartments placed along its length, the utility belt is one of the functional items in the Batman's arsenal against crime.

The Bat Belt!

- Why does he have one?
- What does it accomplish?
- Does it give him a step up on his competition?
How to Answer

• Acknowledge or clarify to buy time (if required)
• The bat belt (examples and stories)
• Result (and the result was)

For Today

Acknowledge / Clarification
• Great question …
• I see why that question is so important here …

Examples and Stories
• What stories are unique to you?
• They can be personal / business / or education related

Result / Lesson
• And the result was …
• What I learned was
