

PhD Student Supervisory Committee Meeting Report

Supervisory committee meetings both guide the student's research and ensure that satisfactory progress is maintained through their graduate program. This form must be signed by the student and all committee members present, and be submitted to the Forestry Graduate office. As per FoGS policy, supervisory committee meetings must be held at least every 12 months.

Student: _____

Date: _____

Program Start: _____

Research proposal (title and brief description):

Progress since last committee meeting:

Overall progress to-date: Good Acceptable Unsatisfactory

(Continued on reverse...)

Recommendations for research:

Expected progress to be met by next committee meeting:

Expected date of next committee meeting: _____

Anticipated date of comprehensive exam (month/year): _____

Anticipated date of thesis defense (month/year): _____

Attending supervisory committee members:
