Summary

The Faculty of Graduate and Postdoctoral Studies will match funds provided by graduate programs (to a maximum of $8,000 per student and to a maximum of $50,000 Bridge program funding available for 2017-2018 in total) to support Master’s and doctoral Aboriginal students for the 2017/18 academic year (i.e., from 1 September 2017 to 31 August 2018). This funding is intended to support students until they can apply for the next regular Aboriginal Graduate Fellowship competition. It is also intended to support students who were not successful in receiving other funding, such as Tri-Agency Master’s or doctoral awards, Affiliated Fellowships, etc., for the 2017/18 academic year. Award winners are selected on the basis of academic merit through a competition administered by the Faculty of Graduate and Postdoctoral Studies.

Applicants must check with their graduate program regarding their program’s internal application deadline. Internal application deadlines are normally several weeks before the Faculty of Graduate and Postdoctoral Studies deadline of Friday, 14 July 2017.

Eligibility Criteria

• All Aboriginal students are eligible to apply, but priority is given to Aboriginal students whose traditional territory falls, at least in part, within Canada. This includes Canadian First Nations, Métis or Inuit students and may include Aboriginal students from Alaska and the northern states of the USA.
• Applicants may or may not be UBC graduate students at the time of application – the competition is open to both incoming and continuing graduate students. However, awardees must be enrolled as full-time graduate students at the UBC-Vancouver campus for the 2017-2018 academic year in order to receive an Aboriginal Graduate Fellowship Bridge funding through this competition. Students in the following programs are not eligible: MEng, MM, MBA, and PharmD.

Canadian Common CV

Applicants are required to complete the CCV from the Canadian Common CV Web site (https://ccv-cvc.ca/indexresearcher-eng_frm) as part of their Aboriginal Graduate Fellowship application. Refer to the Canadian Common CV – How to Complete the Canada Graduate Scholarships-Master's Version (http://www.nserc-crsng.gc.ca/Students-Etudiants/CCV_CGSM-CVC_BESCM_eng.asp) for details. Applicants to the Aboriginal Graduate Fellowship competition must complete the CGS-Master's template of the CCV.

* Rather than attach an .xml version of your CCV to a CGSM application (as described in the “How to Complete…” instructions referenced above), Aboriginal Graduate Fellowship Bridge applicants are to click “History” in the top menu bar when logged into the CCV website and select the .pdf version of their CCV. Applicants should check with their graduate program to confirm whether they should submit their CCV as a hard-copy document or as an electronic file.

The CGS M CCV template was designed to cover the breadth of applicants. Certain fields of entry in the template may not be applicable to your specific circumstances. In those instances, the sections should be left blank.

In the Leaves of Absence and/or Special Circumstances Impacting on Research section, describe any special considerations that have had an effect on your performance or productivity. Include any considerations that may have resulted in delays in disseminating your research results, such as health problems, family responsibilities, disabilities or other circumstances (for example, the time necessary to complete a monograph, file a patent, or commercialize an industrial process or product). Explain any gaps in the chronology of your experience. The selection committee will take these circumstances into consideration when evaluating your application. If your current supervisor is unable to provide you with a reference letter, you may use this section to provide an explanation.

FUNDING APPLICATION 2017-2018 COMPETITION

Reference Forms

Each application must be accompanied by two reference forms or letters.

These must be completed by persons capable of making an informed assessment, and they cannot be completed by a proposed supervisor unless that person is, or has been, your supervisor.

One assessment should be from a person very familiar with your research and other abilities, e.g., current academic research supervisor or industrial supervisor (in the case of co-op students), previous academic research or industrial supervisor. The second assessment should be from a person sufficiently familiar with your research and other abilities to provide a meaningful commentary.

Applicants are to provide to their referees the Aboriginal Graduate Fellowships Reference Form (https://www.grad.ubc.ca/forms/aboriginal-graduate-fellowship-reference-form). The reference form is a form-fillable Microsoft Word document, and can be e-mailed by the applicant to their referees. Applicants should:

• complete the top portion of the reference forms before providing these forms to their referees;
• provide their referees with a copy of their list of research contributions, program of study, and transcripts so that they can be reviewed before the reference forms are completed.

Very Important: Regardless of whether referees submit their reference forms to the applicant or directly to the applicant’s graduate program:

• Acceptable:
  o recommendation letters signed by the person providing the reference;
  o original, faxed, and scanned copies sent by e-mail directly to the graduate program
• Not Acceptable:
  o e-mails and any reference form that is not signed by the referee;
• Reference forms are confidential, and the contents of the forms are not to be viewed by the applicant.

Final Notes

• Applications submitted to the Aboriginal Graduate Fellowships Bridge competition may also be removed from the competition for any of the following reasons:
  o if the application form or free-form pages are hand-written,
  o if a minimum of two reference forms or letters are not submitted with the application,
  o if transcripts from any institutions listed in the academic history section of the application are not submitted with the application,
  o if the free-form pages are not submitted with the application,
  o if the free-form pages are not formatted correctly (according the formats for font size and margins listed in the application instructions).
• It is the applicant’s responsibility to ensure that all application materials (including transcripts and reference forms) are received before their graduate program’s internal AGF Bridge deadline.
