Summary

The Faculty of Graduate and Postdoctoral Studies will match funds provided by graduate programs (to a maximum of $8,000 per student and to a maximum of $50,000 Bridge program funding available for 2020-2021 in total) to support Master's and doctoral Indigenous students for the 2020/21 academic year (i.e., from 1 September 2020 to 31 August 2021). This funding is intended to support students until they can apply for the next regular Aboriginal Graduate Fellowship competition. It is also intended to support students who were not successful in receiving other funding, such as Tri-Agency Master's or doctoral awards, Affiliated Fellowships, etc., for the 2020/21 academic year. Award winners are selected on the basis of academic merit through a competition administered by the Faculty of Graduate and Postdoctoral Studies.

Applicants must check with their graduate program regarding their program's internal application deadline. Internal application deadlines are normally several weeks before the Faculty of Graduate and Postdoctoral Studies graduate program nomination deadline of Friday, 26 June 2020.

Transcripts

- All applicants must submit transcripts for all university-level studies (including studies undertaken but not completed) up to 31 December 2019.
- **For UBC transcripts**, the applicant's "Academic History" printed from the SISC by the applicant's graduate program will be accepted. Please note that the SSC student "grade summary" page is not acceptable; please specifically request the "Academic History" document from your graduate program who has access to the SISC staff system.
- **For institutions other than UBC:**
  - only official* transcripts will be accepted. These may be original or certified true copies provided by the applicant's graduate program. Please note that students must request certified true copies of transcripts from their graduate program, not from the Faculty of Graduate and Postdoctoral Studies.
  - up-to-date, official* transcripts from eVision (UBC graduate admission system) will be accepted. These should be certified by the applicant's graduate program. Please note that students must request certified copies of transcripts from their graduate program, not from the Faculty of Graduate and Postdoctoral Studies.
    - Transcripts on eVision that were uploaded by the applicant (ex. not stamped "G+PS Official") are also acceptable if they are scans of official transcripts. Transcripts that were uploaded by the applicant that are unofficial (ex. "this is an unofficial transcript" watermark on each page by the issuing institution) are not acceptable.
- Translations of transcripts in any languages other than French and English must be included.
- It remains the applicant's responsibility to ensure that all required transcripts have been provided to his or her graduate program.

*If official transcripts are not available on eVision: Many universities, including UBC, are not able to provide official paper transcripts at this time. However, the vast majority of institutions will provide their students/graduates with official transcripts via email or secure digital services (eg. Parchment), either of which will meet the requirement for official transcripts.

Canadian Common CV

Applicants are required to complete the CCV from the Canadian Common CV website ([https://ccv-cvc.ca/indexresearcher-eng.frm](https://ccv-cvc.ca/indexresearcher-eng.frm)) as part of their Aboriginal Graduate Fellowship Bridge Funding application. Refer to the Canadian Common CV – How to Complete the Canada Graduate Scholarships-Master's Version ([http://www.nserc-crsng.gc.ca/Students-Etudiants/CCV_CGSM-CVC_BESCM_eng.asp](http://www.nserc-crsng.gc.ca/Students-Etudiants/CCV_CGSM-CVC_BESCM_eng.asp)) for details. Applicants to the Aboriginal Graduate Fellowship Bridge Funding competition must complete the CGS-Master’s template of the CCV.

* Rather than attach an .xml version of your CCV to a CGSM application (as described in the “How to Complete…” instructions referenced above), Aboriginal Graduate Fellowship Bridge Funding applicants are to click “History” in the top menu bar when logged into the CCV website and select the .pdf version of their CCV.

The CGS-Master’s template of the CCV template was designed to cover the breadth of applicants. Certain fields of entry in the template may not be applicable to your specific circumstances. In those instances, the sections should be left blank.
INSTRUCTIONS FOR ABORIGINAL GRADUATE FELLOWSHIP BRIDGE
FUNDING APPLICATION 2020-2021 COMPETITION

In the Leaves of Absence and/or Special Circumstances Impacting on Research section of the CCV, describe any special considerations that have had an effect on your performance or productivity. Include any considerations that may have resulted in delays in disseminating your research results, such as health problems, family responsibilities, disabilities or other circumstances (for example, the time necessary to complete a monograph, file a patent, or commercialize an industrial process or product). Explain any gaps in the chronology of your experience. The selection committee will take these circumstances into consideration when evaluating your application. If your current supervisor is unable to provide you with a reference letter, you may use this section to provide an explanation.

Reference Forms

Each application must be accompanied by two reference forms or letters. These must be completed by persons capable of making an informed assessment, and they cannot be completed by a proposed supervisor unless that person is, or has been, your supervisor.

One assessment should be from a person very familiar with your research and other abilities, e.g., current academic research supervisor or industrial supervisor (in the case of co-op students), previous academic research or industrial supervisor. The second assessment should be from a person sufficiently familiar with your research and other abilities to provide a meaningful commentary.

Applicants are to provide to their referees the Aboriginal Graduate Fellowships Reference Form (https://www.grad.ubc.ca/forms/aboriginal-graduate-fellowship-reference-form). The reference form is a form-fillable Microsoft Word document, and can be e-mailed by the applicant to their referees. Applicants should:

• complete the top portion of the reference forms before providing these forms to their referees;
• provide their referees with a copy of their list of research contributions, program of study, and transcripts so that they can be reviewed before the reference forms are completed.

Very Important: Regardless of whether referees submit their reference forms to the applicant or directly to the applicant’s graduate program:

• Acceptable:
  o recommendation letters signed by the person providing the reference;
  o original, faxed, and scanned copies sent by e-mail directly to the graduate program
• Not Acceptable:
  o e-mails and any reference form that is not signed by the referee;
• Reference forms are confidential, and the contents of the forms are not to be viewed by the applicant.

Final Notes

• Applications submitted to the Aboriginal Graduate Fellowships Bridge Funding competition may also be removed from the competition for any of the following reasons:
  o if the application form or free-form pages are hand-written,
  o if a minimum of two reference forms or letters are not submitted with the application,
  o if transcripts from any institutions listed in the academic history section of the application are not submitted with the application,
  o if the free-form pages are not submitted with the application,
  o if the free-form pages are not formatted correctly (according the formats for font size and margins listed in the application instructions).
• It is the applicant’s responsibility to ensure that all application materials (including transcripts and reference forms) are received before their graduate program’s internal AGF Bridge deadline.
